Gentlemen:

This is to confirm the telephone conversation which took place between Mr. Rich Grad and Ms. Mary Wang, representing this Agency on November 29, 1978.

It was agreed that dumping will cease, and that previously deposited material will be collected and moved to an EPA approved sanitary landfill. It was also agreed that documentation of proper disposal will be provided to this Agency.

Your cooperation in this matter is certainly appreciated. If this Agency can be of further assistance, please feel free to contact us.

Sincerely,

Kenneth P. Bechely, Northern Regional Manager
